

ONLINE BUS TICKET BOOKING SYSTEM

Online bus ticketing system has two users:

1.ADMIN

2.USER(passenger)

1.ADMIN ROLES:

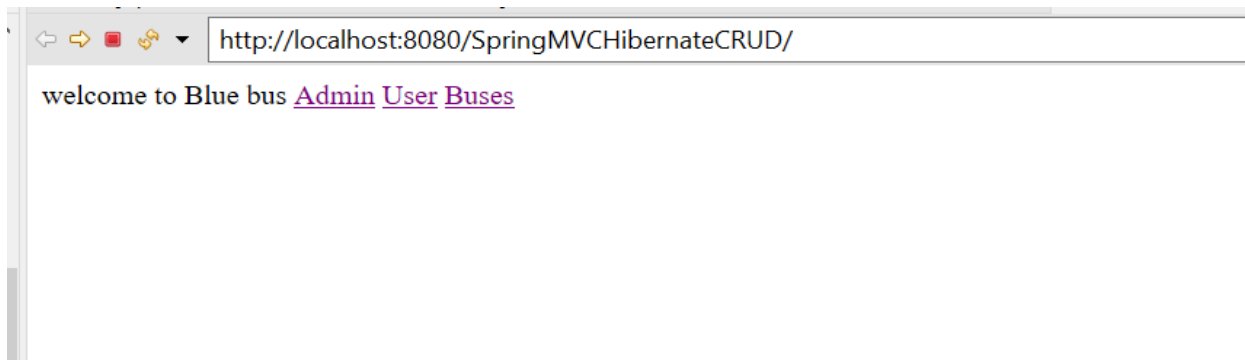

Admin can perform all the actions regarding bus details such as addition, deletion of bus, changing operation date and time .

2.USER ROLES

Users(passengers) has limited action in the application. They can login, register if they are a new user. After logging in they can view the buses by entering from and to location and they can book number of the tickets accordingly.

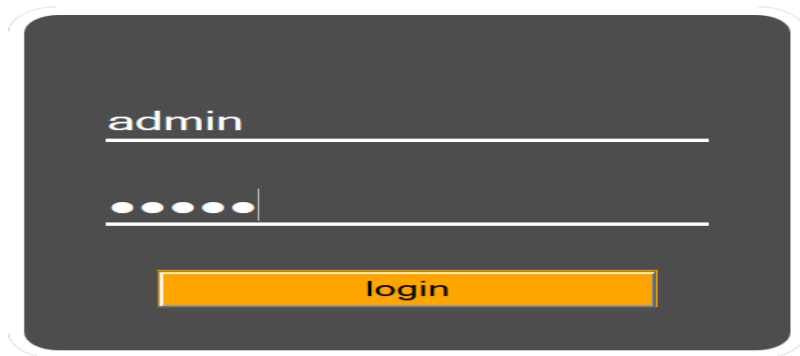

ACTIONS PERFORMED:
